**Item 8.01. Other Events.**

On December 31, 2019 Second Sight Medical Products Inc. (the “Company”) filed its Second Amendment to Restated Articles of Incorporation (the “Certificate of Amendment”) with the Secretary of State of California to effect a one-for-8 (1:8) reverse stock split of all issued and outstanding shares of the Company’s common stock, no par value per share (the “Common Stock”), and also to effect a one-for-8 reverse split of the Company’s warrants (the “Warrants”), (the “Reverse Stock Split”). The Reverse Stock Split is intended to bring the Company into compliance with the \$1.00 minimum bid price requirement for continued listing on the Nasdaq Capital Market, as required by Nasdaq Listing Rule 5550(a)(2). The Reverse Stock Split was approved by the Company’s majority stockholders on November 26, 2019.

As a result of the Reverse Stock Split every eight shares of Common Stock and every eight Warrants will be combined and converted into one share of Common Stock and one Warrant, respectively. The Company anticipates that its Common Stock and Warrants will begin trading on a split-adjusted basis on the Nasdaq Capital Market at the market open on January 6, 2020. The trading symbols for the Common Stock and Warrants will remain “EYES” and “EYESW.” Following the Reverse Stock Split the new CUSIP number for the Common Stock is 81362J209 and the new CUSIP number for the Warrants is 81362J126.

The Reverse Stock Split reduces the number of shares of common stock issued and outstanding from approximately 125.1 million to approximately 15.6 million and reduces the number of trading Warrants outstanding from approximately 61.4 million to 7.7 million. The authorized number of shares of common stock did not change as a result of the Reverse Stock Split. The Reverse Stock Split affects all issued and outstanding shares of the Company’s Common Stock, stock purchase warrants, and options and other outstanding awards issued under the Company’s equity incentive plans. The Reverse Stock Split affects all stockholders and warrant holders uniformly and will not alter any stockholder’s percentage interest in the Common Stock or any warrant holder’s percentage interest in the Warrants, except for adjustments that may result from the treatment of fractional shares and fractional warrants as described below.

No fractional shares or warrants will be issued as a result of the Reverse Split. Stockholders who otherwise would be entitled to receive fractional shares or warrants because they hold a number of shares or warrants not evenly divisible by the Reverse Split ratio of the Reverse Split, will be entitled to cash payments (without interest) in respect of such fractional shares or Warrants. Such cash payment shall be determined by multiplying (i) the fractional share or warrant interest to which the holder would otherwise be entitled, after taking into account all shares or warrants of such class held by the holder as of the effective date of the Reverse Split, and (ii) the volume weighted average trading price of the Common Stock or Warrant, as reported on Nasdaq, for the five trading days immediately preceding the effective date of the Reverse Split, as adjusted for the split ratio. Holders of Common Stock and Warrants held in book-entry form or through a bank, broker or other nominee do not need to take any action in connection with the reverse split. Stockholders of record will be receiving information from VStock Transfer, LLC, the Company’s transfer agent, regarding their stock ownership post-split. All other questions can be directed to the transfer agent, VStock Transfer, LLC, who can be reached at 1-212-828-8436.

The description of the Certificate of Amendment and the Reverse Stock Split is qualified in its entirety by reference to the text of the Certificate of Amendment, which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

## Forward-Looking Statements

This report contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are intended to be covered by the “safe harbor” created by those sections. All statements in this release that are not based on historical fact are “forward looking statements.” These statements may be identified by words such as “estimates,” “anticipates,” “projects,” “plans,” “strategy,” “goal,” or “planned,” “seeks,” “may,” “will,” “expects,” “intends,” “believes,” “should,” and similar expressions, or the negative versions thereof, and which also may be identified by their context. All statements that address operating performance or events or developments that Second Sight expects or anticipates will occur in the future, such as stated objectives or goals, our refinement of strategy, or that are not otherwise historical facts, are forward-looking statements. While management has based any forward-looking statements included in this release on its current expectations, the information and assumptions on which such expectations were based may change. Forward-looking statements involve inherent risks, uncertainties and assumptions which could cause actual results to differ materially from those in the forward-looking statements as a result of various factors, including without limitation the Company’s ability to attain the necessary stock price levels to regain compliance with the Nasdaq’s continued listing standards or, if achieved, to continue to satisfy the Nasdaq’s qualitative and quantitative continued listing standards in the future, including due to the Company’s financial condition or results of operations, market conditions or the market perception of the Company’s business, financial condition or results of operations; as well as those other risks and uncertainties described in or implied by the Risk Factors and in Management’s Discussion and Analysis of Financial Condition and Results of Operations sections of our Annual Report on Form 10-K, filed on March 19, 2019, our Form 10-Q filed on November 14, 2019, our Definitive Information Statement on Schedule 14C filed on December 9, 2019 and our other reports filed from time to time with the Securities and Exchange Commission. We urge you to consider those risks and uncertainties in evaluating our forward-looking statements. We caution readers not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. Except as otherwise required by the federal securities laws, we disclaim any obligation or undertaking to update or revise any forward-looking statement contained herein (or elsewhere) to reflect any change in our expectations or assumptions with regard thereto, or as a result of new information, future events, conditions, or otherwise.

By: John T. Blake  
Chief Financial Officer

**SECOND CERTIFICATE OF AMENDMENT OF  
RESTATED ARTICLES OF INCORPORATION  
OF  
SECOND SIGHT MEDICAL PRODUCTS, INC.**

Jonathan Will McGuire and John T. Blake hereby certify that:

1. They are the President and Chief Financial Officer, respectively, of Second Sight Medical Products, Inc. (the "Corporation"), a California corporation.
2. Article III of the Restated Articles of Incorporation, as amended, of this Corporation is hereby amended to read in its entirety as follows:

"The Corporation is authorized to issue two classes of shares to be designated Common Stock ("Common Stock") and Preferred Stock ("Preferred Stock"). The total number of shares of Common Stock that the Corporation is authorized to issue is three hundred million (300,000,000). In all matters that may become before the Corporation's shareholders, each share of Common Stock shall entitle its holder to one vote.

The total number of shares of Preferred Stock that the Corporation is authorized to issue is ten million (10,000,000).

With consent of the Shareholders, the shares of Preferred Stock may be issued from time to time in one or more series as determined by the corporation's Board of Directors, which is authorized to designate all pricing, voting, dividend, conversion and other rights, and preferences, privileges and restrictions granted to or imposed upon any wholly unissued class of shares or any wholly unissued series of any class of shares, as well as the number of shares authorized for issuance in each series, which matters shall be expressed in resolutions adopted by the Board of Directors, and filed with the California Secretary of State as required by the General Corporation Law of the State.

Upon the close of business on the date of filing of this Second Certificate of Amendment with the California Secretary of State (the "Effective Date") each eight (8) shares of Common Stock then issued and outstanding, or held by the Corporation as treasury stock immediately prior to the Effective Time shall automatically and without any further action by the Corporation or the holder thereof, be reclassified, combined, changed, converted and reconstituted into one (1) validly issued share of Common Stock (the "Reverse Stock Split"). No fractional shares shall be issued in connection with the Reverse Stock Split. In lieu of any fractional shares to which a shareholder would otherwise be entitled as a result of the Reverse Stock Split, the Corporation shall pay such holder a cash amount, without interest, equal to the fraction to which such shareholder would otherwise be entitled multiplied by (i) the fractional share interest to which the holder would otherwise be entitled, after taking into account all shares of such class held by the holder as of the effective date of the Reverse Split, and (ii) the volume weighted average trading price of the common stock, as reported on The Nasdaq Capital Market, for the five trading days immediately preceding the effective date of the Reverse Split, as adjusted for the split ratio. Each certificate that immediately prior to the Effective Time represented shares of Common Stock ("Old Certificates"), shall thereafter represent that number of shares of Common Stock into which the shares of Common Stock represented by the Old Certificates shall have been reclassified and combined pursuant to this Amendment."

3. The foregoing amendment to the Corporation's Articles of Incorporation has been duly approved by the board of directors.
4. The foregoing amendment to the Corporation's Articles of Incorporation has been duly approved by the required vote of shareholders in accordance with Sections 902 and 903 of the California Corporations Code. At the record date for the meeting at which such approval occurred, the Corporation had only one class of shares designated Common Stock, and the number of outstanding shares entitled to vote with respect to the foregoing amendment was 124,598,198. The number of shares voting in favor of the foregoing amendment equaled or exceeded the vote required. The percentage vote required of each class entitled to vote is a majority (greater than 50%).

The undersigned Jonathan Will McGuire and John T. Blake, declare this 26<sup>th</sup> day of December 2019, at the City and County of Los Angeles, California under penalty of perjury under the laws of the State of California that

---

each has read the foregoing certificate, each knows the contents thereof and that the matters set forth in this certificate are true and correct of his own knowledge.
