Proxy Materials

Q: Why am I being asked to review these materials?

A: Second Sight Medical Products, Inc., also referred to herein as “Second Sight”, the “Company” or “we”, is providing these proxy materials to you in connection with the solicitation of proxies by the Company’s Board of Directors for use at an Annual Meeting of Stockholders (the “Annual Meeting”). The Annual Meeting will be held on Tuesday, May 16, 2018 at 10:00 a.m., local time, at Second Sight Medical Products, Inc. offices, 12744 San Fernando Road, Suite 400, Sylmar, California, USA, 91342. If necessary, the meeting may be continued at a later time. Stockholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

Q: What information is contained in these materials?

A: The proxy materials include:

- our proxy statement for the Annual Meeting of Stockholders;
- our 2017 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2017; and
- a proxy card or a voting instruction card for the Annual Meeting.

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the Board and Board committees, the compensation of our directors and certain executive officers for fiscal year 2017 and other required information.

Q: How may I obtain a paper copy of the proxy materials?

A: You may request paper copies of the proxy materials for the Annual Meeting by telephoning (818) 833-5000, or by sending an e-mail to investors@second sight.com.

Q: I share an address with another stockholder, and we received more than one paper copy of the proxy materials. How do we obtain a single copy in the future?

A: Stockholders of record sharing an address who are receiving multiple copies of the proxy materials and who wish to receive a single copy of such materials in the future may contact our transfer agent whose contact information is provided on page 10 below. Blake at:

Second Sight Medical Products, Inc.
12744 San Fernando Road, Suite 400

Q: What does it mean if I received more than one proxy or voting instruction form?

A: You may receive more than one notice, or more than one paper copy of the proxy materials, including multiple paper copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate notice or a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you may receive more than one notice, or more than one proxy card. To vote all of your shares by proxy, you must complete, sign, date and return each proxy card and voting instruction card that you receive to vote the shares represented by each notice that you receive (unless you have requested and received a proxy card or voting instruction card for the shares represented by one or more of those notices).

Voting Information

Q: What matters will the Company stockholders vote on at the Annual Meeting?

A: There are four proposals to be considered and voted on at the meeting. The proposals to be voted on are:

Proposal 1 — To elect the five nominees to the Board of Directors nominated by the Board of Directors to serve for terms of one year each or until the election and qualification of their successors;

Proposal 2 — To approve an amendment to the Second Sight 2011 Equity Incentive Plan that will increase the maximum number of shares of common stock that may be issued under the Plan to 12 million shares of common stock;

Proposal 3 — To approve an amendment to Second Sight's 2015 Employee Stock Purchase Plan that will (i) increase the maximum number of shares of common stock which may be issued under the plan to 1,550,000 shares and will (ii) increase automatically the number of shares available for purchase by participating employees under the ESPP on January 1st of every year to a lesser of (x) 1% of the total number of shares of Common Stock outstanding on December 31st of the preceding calendar year, or (y) 500,000 shares of common stock; and

Proposal 4 — To ratify the appointment of Gumbiner Savett Inc. as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

We will also consider any other business that properly comes before the Annual Meeting, or any adjournment thereof or postponement thereof. As of the record date we are not aware of any other matters to be submitted for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named on the enclosed proxy card will vote the shares as recommended by the Board, or if no recommendation is given in their own discretion.

For a more detailed discussion of each of these proposals, please see the information included elsewhere in the proxy statement relating to these proposals.

Q: What are the Board’s voting recommendations?

A: The Board of Directors recommends that you vote your shares as follows:

- “FOR” the election of the nominated directors (see Proposal 1);
- “FOR” approval of an amendment to Second Sight’s 2011 Equity Incentive Plan that will increase the maximum number of shares of common stock that may be issued under the Plan to 12 million shares of common stock (Proposal 2);
- “FOR” approval of an amendment to Second Sight’s 2015 Employee Stock Purchase Plan that will (i) increase the maximum stated number of shares of common stock which may be issued under the plan to 1,550,000 shares and will (ii) increase automatically the number of shares available for purchase by participating employees under the ESPP on January 1st of every year to lesser of (x) 1% of the total number of shares of Common Stock outstanding on December 31st of the preceding calendar year, or (y) 500,000 shares of common stock (Proposal 3); and
- “FOR” the ratification of Gumbiner Savett Inc. as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 4).

If you sign and return your proxy card but do not specify how you want to vote your shares, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board.

Q: Who is entitled to vote at the Annual Meeting?

A: Each holder of shares of our common stock issued and outstanding as of the close of business on April 9, 2018, the record date for the Annual Meeting, is entitled to cast one vote per share on all items being voted upon at the Annual Meeting. You may cumulate your votes in favor of one or more director nominees. Please see “Is cumulative voting permitted for the election of directors” below on page 10. You may vote all shares owned by you as of this time, including shares held for you as the beneficial owner through a broker, trustee or other nominee.

On the record date, the Company had 59,875,717 shares of common stock issued and outstanding.

Q: What is the difference between a stockholder of record and a stockholder who holds stock in street name?

A: Most of our stockholders hold their shares through a broker, trustee or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

- **Stockholder of Record**—If your shares are registered directly in your name with our transfer agent, you are considered, with respect to those shares, the “stockholder of record.” As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to a third party, or to vote your shares during the meeting.
- **Beneficial Owner**—If your shares are held in a brokerage account, by a trustee or by another nominee (that is, in “street name”), you are considered the “beneficial owner” of those shares. As the beneficial owner of those shares, you have the right to direct your broker, trustee or nominee how to vote, or to vote your shares by proxy at the Annual Meeting (which must be voted prior to the Annual Meeting).

Q: If I hold my shares in street name through my broker, will my broker vote these shares for me?

A: If you provide instructions on how to vote by following the instructions provided to you by your broker, your broker will vote your shares as you have instructed. If you do not provide your broker with voting instructions, your broker will vote your shares only if the proposal is a “routine” management proposal on which your broker has discretion to vote. Under Nasdaq Stock Market Business Conduct Rules, to which your broker is subject, your broker may refrain from voting uninstructed shares for elections of directors and other matters such as those involving the proposals in this proxy statement without instruction from you, in which case a broker non-vote will be the result and your shares will not be voted on these matters.

Q: How do I vote?

A: You may vote over the Internet, by mail or in person at the Annual Meeting. Please be aware that if you vote over the Internet, you may incur costs such as Internet access charges for which you will be responsible.

Vote by Internet. You can vote via the Internet by following the instructions on your proxy card. You will need to use the control number appearing on your proxy card to vote via the Internet. You can use the Internet to transmit your voting instructions up until 11:59 p.m. Eastern Time on Tuesday, May 15, 2018. Internet voting is available 24 hours a day. If you vote via the Internet, you do not need to vote in person or return a proxy card.

Vote by Mail. If you received a printed proxy card, you can vote by marking, dating and signing it, and returning it in the postage-paid envelope that is provided. Please mail your proxy card promptly to ensure that it is received before closing of the polls at the Annual Meeting.

Vote in Person at the Meeting. If you attend the Annual Meeting and plan to vote in person, we will provide you with a ballot at the Annual Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner, if you wish to vote at the Annual Meeting, you will need to bring to the Annual Meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

If you vote by Internet or by mail, you will be designating Will McGuire, our President and Chief Executive Officer, and/or John T. Blake our Chief Financial Officer and Corporate Secretary, as your proxy(ies). They may act together or individually on your behalf and will have the authority to appoint a substitute to act as proxy.

Submitting a proxy will not affect your right to attend the Annual Meeting and vote in person. If your shares are held in the name of a bank, broker or other nominee, you will receive separate voting instructions from your bank, broker or other nominee describing how to vote your shares. The availability of Internet voting will depend on the voting process of your bank, broker or other nominee. Please check with your bank, broker or other nominee and follow the voting instructions it provides.

Q: What is a proxy?

A: A proxy is a person you appoint to vote on your behalf. By using the methods discussed above, you will be appointing Will McGuire, our President and Chief Executive Officer, and/or John T. Blake, our Chief Financial Officer and Corporate Secretary, as your proxies. They may act together or individually to vote on your behalf and will have the authority to appoint a substitute to act as proxy. If you are unable to attend the Annual Meeting, please vote by proxy so that your shares of common stock may be voted.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, either within the Company or to third parties, except: (1) as necessary to meet applicable legal requirements; (2) to allow for the tabulation of votes and certification of the vote; and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to management.

Q: How are votes counted, and what affect do abstentions and broker non-votes have on the proposals?

A: In the election of directors, you may vote "FOR," "AGAINST" or "ABSTAIN" with respect to each of the nominees. If you elect to abstain in the election of directors, the abstention will not impact the election of directors. In tabulating the voting results for the election of directors, only "FOR" and "AGAINST" votes are counted. You also may cumulate your votes as described below.

For the other items of business, you may vote "FOR," "AGAINST" or "ABSTAIN."

If you are the beneficial owner of shares held in the name of a broker, trustee or other nominee and do not provide that broker, trustee or other nominee with voting instructions, your shares may constitute "broker non-votes." Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. Under the rules of the New York Stock Exchange, brokers, trustees or other nominees may generally vote on routine matters but cannot vote on non-routine matters. Only Proposal No. 4 (ratifying the appointment of the independent registered public accounting firm) is considered a routine matter. The other proposals are not considered routine matters, and without your instructions, your broker cannot vote your shares. In tabulating the voting results for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting. If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you vote by proxy card or voting instruction card and sign the card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (FOR all of our nominees to the Board, FOR the approval of an amendment to the 2011 Equity Incentive Plan that will increase the maximum number of shares of common stock that may be issued under the Plan to 12 million shares of common stock, FOR the approval of adding 500,000 shares of common stock to the pool available for issuance, and increasing annual evergreen amount to 500,000 shares, under the Company's Employee Stock Purchase Plan, and FOR ratification of the appointment of our independent registered public accounting firm).

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, each director will be elected by the vote of the majority of votes cast with respect to that director nominee. A majority of votes cast means that the number of votes cast for a nominee's election must exceed the number of votes cast against such nominee's election. Each nominee receiving more votes "for" his or her election than votes "against" his or her election will be elected. Approval of each of the other proposals requires the affirmative vote of a majority of the shares present, in person or represented by proxy, and entitled to vote on that proposal at the Annual Meeting.

Q: Is cumulative voting permitted for the election of directors?

A: Yes, you may choose to cumulate your vote in the election of directors. Cumulative voting applies only to the election of directors and allows you to allocate among the director nominees, as you see fit, the total number of votes equal to the number of director positions to be filled multiplied by the number of shares you hold. For example, if you own 100 shares of stock and there are five directors to be elected at the Annual Meeting, you may allocate 500 "FOR" votes (5 times 100) among as few or as many of the five nominees to be voted on at the Annual Meeting as you choose. You may not cumulate your votes against a nominee.

If you are a stockholder of record and choose to cumulate your votes, you will need to submit a proxy card and make an explicit statement of your intent to cumulate your votes by so indicating in writing on the proxy card. If you hold shares beneficially through a broker, trustee or other nominee and wish to cumulate votes, you should contact your broker, trustee or nominee.

If you vote by proxy card or voting instruction card and sign your card with no further instructions, Will McGuire or John T. Blake, as proxy holders, may cumulate and cast your votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that none of your votes will be cast for any nominee as to whom you vote against or abstain from voting.

Q: What percentage of our common stock do our directors and officers own?

A: As of March 31, 2018, our current directors and executive officers beneficially owned approximately 48.3% of our common stock outstanding. See the discussion under the heading "Security Ownership of Certain Beneficial Owners and Management" on pages 30-31 for more details.

Q: What if I have questions for our transfer agent?

A: Please contact our transfer agent, at the phone number or address listed below, with questions concerning stock certificates, transfer of ownership or other matters pertaining to your stock account.

VStock Transfer, LLC
18 Lafayette Place
Woodmere, New York 11598
Phone: (212) 828-8436

Q: What happens if I abstain?

A: Abstentions are counted as present at the meeting for purposes of determining whether there is a quorum but are not counted as votes cast.

Q: May I change my vote or revoke my proxy?

A: You may change your vote or revoke your proxy at any time prior to the vote during the Annual Meeting.

If you are the stockholder of record, you may change your vote by: (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy); (2) providing a written notice of revocation to the Corporate Secretary at the address below prior to your shares being voted; or (3) participating in the Annual Meeting and voting your shares electronically during the Annual Meeting. Participation in the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. For shares you hold beneficially in the name of a broker, trustee or other nominee, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or by participating in person at the Annual Meeting.

Annual Meeting Information

Q: How can I attend the Annual Meeting?

A: You are invited to attend this year's Annual Meeting that will be held on May 16, 2018 at 10:00 a.m. Los Angeles time at Second Sight Medical Products, Inc. offices, 12744 San Fernando Road, Suite 400, Sylmar, California, USA, 91342. You are entitled to participate in the Annual Meeting only if you were the Company's stockholder or joint holder as of the close of business on April 9, 2018 or if you hold a valid proxy for the Annual Meeting.

Q: What is a quorum?

A: A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our bylaws and California law. A majority of the shares of common stock outstanding and entitled to vote, by proxy or at the Annual Meeting, constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the Record Date, there were a total of 59,875,717 shares of common stock outstanding, which means that at least 29,937,859 shares of common stock must be represented by proxy or in person at the Annual Meeting to have a quorum.

Q: What if a quorum is not present at the Annual Meeting?

A: If a quorum is not present at the scheduled time of the Annual Meeting, then either the chairman of the Annual Meeting or the stockholders by vote of the holders of a majority of the stock present in person or represented by proxy at the Annual Meeting are authorized by our Bylaws to adjourn the Annual Meeting until a quorum is present or represented.

Q: What happens if additional matters are presented at the Annual Meeting?

A: Other than the four items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders, Will McGuire and John T. Blake, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of the nominees named in this proxy statement is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board.

Q: Who will count the votes?

A: Our Chief Financial Officer and Corporate Secretary, John T. Blake, will act as the inspector of election and tabulate all votes, affirmative and negative, as well as abstentions and broker non-votes.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K to be filed with the SEC within four business days of the Annual Meeting.

Stockholder Proposals, Director Nominations and Related Bylaw Provisions

Q: What is the deadline to propose actions (other than director nominations) for consideration at next year's Annual Meeting of stockholders?

A: You may submit proposals for consideration at future stockholder meetings. For a stockholder proposal to be considered for inclusion in our proxy statement for the Annual Meeting next year, the Corporate Secretary must receive the written proposal at our principal executive offices no later than December 14, 2018. Such proposals also must comply with SEC regulations under Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Corporate Secretary
Second Sight Medical Products, Inc.
12744 San Fernando Road, Suite 400
Sylmar, California 91342

Deadlines for the nomination of director candidates are discussed below.

Q: How may I recommend individuals to serve as directors and what is the deadline for a director recommendation?

A: You may recommend director candidates for consideration by the Nominating and Governance Committee of the Board. Any such recommendations should include verification of the stockholder status of the person submitting the recommendation and the nominee's name and qualifications for Board membership and should be directed to the Corporate Secretary at the address of our principal executive offices set forth above. See "Proposal No. 1—Election of Directors—Director Nominee Experience and Qualifications" for more information regarding our Board membership criteria.

A stockholder may send a recommended director candidate's name and information to the Board at any time. Generally, such proposed candidates are considered at the first or second Board meeting prior to the issuance of the proxy statement for our Annual Meeting.

Q: How may I obtain a copy of the provisions of our Bylaws regarding stockholder proposals and director nominations?

A: You may contact the Corporate Secretary at our principal executive offices for a copy of the relevant Bylaws provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Our Bylaws also are available on the SEC website as Exhibit 3.2 to our Registration Statement on Form S-1 filed on August 12, 2014.

Further Questions

Q: Who can help answer my questions?

Our business, property and affairs are managed by, or under the direction of, our Board, in accordance with the California Corporations Code and our Bylaws. Members of the Board are kept informed of our business through discussions with the Chief Executive Officer and other key members of management, by reviewing materials provided to them by management, and by participating in meetings of the Board and its Committees.

Stockholders may communicate with the members of the Board, either individually or collectively, or with any independent directors as a group by writing to the Board at 12744 San Fernando Road, Suite 400, Sylmar, California 91342. These communications will be reviewed by the office of the Corporate Secretary who, depending on the subject matter, will (a) forward the communication to the director or directors to whom it is addressed or who is responsible for the topic matter, (b) attempt to address the inquiry directly (for example, where it is a request for publicly available information or a stock related matter that does not require the attention of a director), or (c) not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. At each meeting of the Nominating and Governance Committee, the Corporate Secretary presents a summary of communications received and will make those communications available to any director upon request.

Independence of Directors

In determining the independence of our directors, we apply the definition of “independent director” provided under the listing rules of The NASDAQ Stock Market LLC (“NASDAQ”). After considering all relevant facts and circumstances, the Board affirmatively determined that all of the directors currently serving on the Board including those nominated for election at the Annual Meeting, with the exception of Will McGuire, who is employed as our Chief Executive Officer and President, are independent directors under NASDAQ’s rules.

Board Meetings and Committees of our Board

The Board has three standing committees each of which has the composition described below and responsibilities that satisfy the independence standards of the Securities Exchange Act of 1934 and NASDAQ’s rules: the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee. Mr. Pfeffer is Chairman of the Audit Committee, Mr. Link is Chairman of the Compensation Committee, and of the Nominating and Governance Committee. During the year ended December 31, 2017, the Board held five meetings, the Audit Committee held four meetings, the Compensation Committee held three meetings, and the Nomination and Governance Committee held no meetings. Each of our directors attended at least 75% of the combined Board meetings and meetings of the Board committee(s) of which he is a member. We do not have a policy with regard to Board attendance at the Annual Meeting.

Audit Committee

The Audit Committee consists of Matthew Pfeffer, William Link, Gregg Williams and Aaron Mendelsohn, four non-employee directors, all of whom are “independent” as defined under section 5605 (a)(2) of the NASDAQ Listing Rules. Mr. Pfeffer is a chair of the Audit Committee. In addition, the Board has determined that Mr. Pfeffer, qualifies as an “audit committee financial expert” as defined in the rules of the Securities and Exchange Commission (SEC). The Audit Committee met four times during 2017 with all members in attendance at the meetings. The role of the Audit Committee is to:

- oversee management’s preparation of our financial statements and management’s conduct of the accounting and financial reporting processes;
- oversee management’s maintenance of internal controls and procedures for financial reporting;

- oversee our compliance with applicable legal and regulatory requirements, including without limitation, those requirements relating to financial controls and reporting;
- oversee the independent auditor’s qualifications and independence;
- oversee the performance of the independent auditors, including the annual independent audit of our financial statements;
- prepare the report required by the rules of the SEC to be included in our Proxy Statement; and
- discharge such duties and responsibilities as may be required of the Committee by the provisions of applicable law, rule or regulation.

A copy of the charter of the Audit Committee is available on our website at www.secondsight.com (under “About Us – Corporate Governance”).

Compensation Committee

The Compensation Committee consists of William Link, Gregg Williams and Matthew Pfeffer, three non-employee directors, each of whom is “independent” as defined in section 5605(a)(2) of the NASDAQ Listing Rules. The Compensation Committee met three times during 2017 with all members in attendance at the meetings, except that each of Mr. Williams and Mr. Pfeffer was not in attendance at one of the meetings. The role of the Compensation Committee is to:

- develop and recommend to the Board the annual compensation (base salary, bonus, equity compensation and other benefits) for our President/Chief Executive Officer;
- review, approve and recommend to the Board the annual compensation (base salary, bonus, equity compensation and other benefits) for all of our executives;
- review, approve and recommend to the Board the aggregate number of equity awards to be granted to employees below the executive level;
- ensure that a significant portion of executive compensation is reasonably related to the long-term interest of our stockholders; and
- prepare certain portions of our annual Proxy Statement, including an annual report on executive compensation.

A copy of the charter of the Compensation Committee is available on our website at www.secondsight.com (under “About Us – Corporate Governance”).

The Compensation Committee may form and delegate a subcommittee consisting of one or more members to perform the functions of the Compensation Committee. The Compensation Committee may engage outside advisers, including outside auditors, attorneys and consultants, as it deems necessary to discharge its responsibilities. The Compensation Committee has sole authority to retain and terminate any compensation expert or consultant to be used to provide advice on compensation levels or assist in the evaluation of director, President/Chief Executive Officer or senior executive compensation, including sole authority to approve the fees of any expert or consultant and other retention terms. In addition, the Compensation Committee considers, but is not bound by, the recommendations of our Chief Executive Officer with respect to the compensation packages of our other executive officers.

Nominating and Governance Committee

The Nominating and Governance Committee consists of William Link and Gregg Williams, two non-employee directors, each of whom is deemed “independent” as defined in section 5605(a)(2) of the NASDAQ Listing Rules. The Nominating and Governance Committee did not meet during 2017. The role of the Nominating and Governance Committee is to:

- evaluate from time to time the appropriate size (number of members) of the Board and recommend any increase or decrease;
- determine the desired skills and attributes of members of the Board, taking into account the needs of the business and listing standards;
- establish criteria for prospective members, conduct candidate searches, interview prospective candidates, and oversee programs to introduce the candidate to us, our management, and operations;
- review planning for succession to the position of Chairman of the Board and Chief Executive Officer and other senior management positions;
- annually recommend to the Board persons to be nominated for election as directors;

- recommend to the Board the members of all standing Committees;
- adopt or develop for Board consideration corporate governance principles and policies; and
- periodically review and report to the Board on the effectiveness of corporate governance procedures and the Board as a governing body, including conducting an annual self-assessment of the Board and its standing committees.

A copy of the charter of the Nominating and Governance Committee is available on our website www.secondsight.com (under “About Us – Corporate Governance”).

Policy with Regard to Security Holder Recommendations

The Nominating and Governance Committee does not presently have a policy with regard to consideration of any director candidates recommended by security holders. No security holder (other than members of the Nominating and Governance Committee) has recommended a candidate to date.

Director Qualifications and Diversity

The Board seeks independent directors who represent a diversity of backgrounds and experiences that will enhance the quality of the Board’s deliberations and decisions who each will represent the best interests of the Company and its stockholders. Candidates should have substantial experience with one or more publicly traded companies or should have achieved a high level of distinction in their chosen fields. The Board is particularly interested in maintaining a mix that includes individuals who are active or retired executive officers and senior executives, particularly those with experience in medical devices, biotechnology, intellectual property, early stage technology companies, research and development, strategic planning, business development, compensation, finance, accounting or banking.

Our Board believes that the directors nominated collectively have the experience and skills effectively to oversee the management of the Company, including a high level of personal and professional integrity, an ability to exercise sound business judgement on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing the Company, a willingness to devote the necessary time to Board duties.

Compensation Committee Interlocks and Insider Participation

During 2017, William Link, Gregg Williams and Matthew Pfeffer served on the Compensation Committee. None of these individuals has ever been an officer or employee of ours. In addition, none of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board or the Compensation Committee.

Code of Conduct

We adopted a Code of Business Conduct and Ethics (“Code of Ethics”) applicable to our principal executive officer and principal financial and accounting officer and any persons performing similar functions. In addition, the Code of Ethics applies to our employees, officers, directors, agents and representatives. The Code of Ethics requires, among other things, that our employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in our best interest. The Code of Ethics is available on our website at www.secondsight.com (under “About Us – Code of Business Conduct and Ethics”).

Risk Oversight

Enterprise risks are identified and prioritized by management and each prioritized risk is assigned to a Board committee or the full Board for oversight as follows:

Full Board — Risks and exposures associated with strategic, financial and execution risks and other current matters that may present material risk to our operations, plans, prospects or reputation.

PROPOSALS
THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR EACH OF
PROPOSALS 1 THROUGH 4 BELOW.

PROPOSAL 1 — ELECTION OF DIRECTORS

Nominees for Election

The Board currently has five members. Our Board has nominated five of our incumbent directors for re-election at the Annual Meeting. Each nominee has agreed, if elected, to serve a one-year term or until the election and qualification of his successor. If any nominee is unable to stand for election, which circumstance we do not anticipate, the Board may designate a substitute. In the latter event, shares represented by proxies may be voted for a substitute nominee.

Our Director Qualifications and Diversity guidelines contain the current Board membership criteria that apply to nominees recommended for a position on the Board. Under those criteria, members of the Board should have the highest professional and personal ethics and values, consistent with our longstanding values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public service. They should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. In addition, the Nominating and Governance Committee takes into account a potential director's ability to contribute to the diversity of background and experience represented on the Board, and it reviews its effectiveness in balancing these considerations when assessing the composition of the Board. Directors' service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all of our stockholders. Although the Board uses these and other criteria as appropriate to evaluate potential nominees, it has no stated minimum criteria for nominees.

The Board believes that all the nominees named below are highly qualified and have the skills and experience required for effective service on the Board. The nominees' individual biographies below contain information about their experience, qualifications and skills that led the Board to nominate them:

Nominee's or Director's Name	Year First Became Director	Position with the Company
Jonathan Will McGuire	2015	President, Chief Executive Officer and Director

Prior to that, Mr. Pfeffer served in a variety of financial management positions at other companies, including roles as Corporate Controller, Manager of Internal Audit and Manager of Financial Reporting. Mr. Pfeffer began his career at Price Waterhouse. Mr. Pfeffer graduated from the University of California, Berkeley and is a Certified Public Accountant. Our board believes that Mr. Pfeffer's executive and managerial experience together with his leadership skills make him well qualified to continue serving as one of our directors.

Vote Required

Each director nominee who receives more “FOR” votes than “AGAINST” votes representing shares of our common stock present in person or represented by proxy and entitled to be voted at the Annual Meeting will be elected.

All of the nominees have indicated to us that they will be available to serve as directors. In the event that any nominee should become unavailable, the proxy holders, Will McGuire or John T. Blake, will vote for a nominee or nominees designated by the Board.

There are no family relationships among our executive officers and directors.

If you sign your proxy or voting instruction card but do not give instructions with respect to voting for directors, your shares will be voted by Will McGuire or John T. Blake, as proxy holders. If you wish to give specific instructions with respect to voting for directors, you may do so by indicating your instructions on your proxy or voting instruction card.

You may cumulate your votes in favor of one or more of the director nominees. If you wish to cumulate your votes, you will need to indicate explicitly your intent to cumulate your votes among the five persons who will be voted upon at the Annual Meeting. See “Questions and Answers—Voting Information—Is cumulative voting permitted for the election of directors?” for further information about how to cumulate your votes. Will McGuire or John T. Blake as proxy holders, reserve the right to cumulate votes and cast such votes in favor of the election of some or all of the applicable nominees in their sole discretion, except that a stockholder’s votes will not be cast for a nominee as to whom such stockholder instructs that such votes be cast “AGAINST” or “ABSTAIN.”

Our Board recommends a vote “FOR” each of the nominees.

All fees were paid for the period June 1, 2016 to May 31, 2017 in shares of our stock on June 1, 2017 and the per share value was determined by an average closing price of our stock for the preceding twenty trading days of our common stock on its principal exchange.

William J. Link, Ph.D.	—	68,000	68,000

PROPOSAL 2 — APPROVE INCREASE IN NUMBER OF SHARES OF COMMON STOCK THAT MAY BE ISSUED UNDER SECOND SIGHT’S 2011 EQUITY INCENTIVE PLAN TO 12 MILLION SHARES OF COMMON STOCK

We are asking our stockholders to consider and vote upon a proposal to approve an amendment to the Second Sight Medical Products, Inc. 2011 Equity Incentive Plan (as amended from time to time, the “Plan”).

On July 15, 2011, our Board adopted the Plan, and our stockholders approved the adoption of the Plan on July 21, 2011. The Plan was further amended in 2011, 2015, 2016 and 2017 to increase the maximum number of shares of common stock that may be issued under the Plan. In April 2018, the Board adopted an amendment to the Plan that, contingent on and subject to approval of our stockholders at the Annual Meeting, would increase the maximum number of shares of common stock that may be issued under the Plan to 12,000,000 shares.

If the stockholders approve the amendment to the Plan, the amendment will become effective on the date of the Annual Meeting, which is scheduled for May 16, 2018. If the stockholders fail to approve the amendment to the Plan, the Plan will continue and remain in effect without any changes to the authorized shares thereto, and compensatory option grants will continue to be granted thereunder to the extent of shares of common stock available for issuance. As of April 9, 2018, the record date, approximately 256,475 shares of common stock remained available for issuance under the Plan (without giving effect to additional shares that may become available upon the future expiration, forfeiture, or cancellation of outstanding awards). Our Board believes that our ability to include equity compensation as part of a total compensation package aligns the interest of our employees with our stockholders. If the amendment to the Plan is not approved, our ability to recruit, motivate and retain key employees will be impaired and thus may require us to shift the mix of total compensation to a greater amount of cash compensation.

Summary of the Material Terms of the Plan, As Amended

A summary of the material terms of the Plan, as amended in 2017, is set forth below. This summary is qualified in its entirety by the detailed provisions of the Plan, as amended, a copy of which is attached as Appendix A to the Proxy Statement we filed with the SEC on May 1, 2017, and which is incorporated by reference into this proposal.

Purpose

The Plan is intended to encourage the key personnel of the Company to have a proprietary and vested interest in the growth and performance of the Company and to generate an increased incentive to contribute to the Company’s future success and prosperity, thus enhancing the value of the Company for the benefit of its equity owners.

Administration

The Plan is administered by the Compensation Committee, which consists of William J. Link, Gregg Williams and Matthew Pfeffer appointed by our Board. The Compensation Committee has the authority to determine the terms and conditions of awards and to interpret and administer the Plan.

Share Reserve and Limitations

The maximum number of shares of common stock reserved for issuance under the Plan is 9,500,000 shares and, if the amendment to the Plan is approved, will be increased to 12,000,000 shares of common stock. As of April 11, 2018, the fair market value of a share of common stock, based on the closing price reported on NASDAQ for that date, is \$1.71.

No employee of the Company may be eligible to be granted options covering more than 1,000,000 shares of common stock during any calendar year.

Types of Awards; Eligibility

The Plan permits the Company to grant stock options and restricted stock units (“RSUs”) to our employees and to employees of our controlled subsidiaries. From time to time, the Company may also elect to grant awards to non-employees who are natural persons where it is determined that such grant is in the best interests of the Company. As of the date of this Proxy Statement, approximately 119 employees of the Company and our controlled subsidiaries were eligible to participate in the Plan.

Options

The Compensation Committee may grant options under the Plan. The term of an option may not exceed 10 years. The Compensation Committee determines the exercise price of an option. Payment of the exercise price may be made in cash, shares, or other property acceptable to the Compensation Committee, as well as other types of consideration permitted by applicable law. After the termination of service of a participant, he or she (or, if applicable, his or her estate or beneficiary) may exercise his or her option for the period of time stated in his or her award agreement. Generally, if termination is due to death or disability, the option will remain exercisable for at least six months. In all other cases, the option will generally remain exercisable for at least 30 days following the termination of service. However, in no event may an option be exercised later than the expiration of its term. Subject to the provisions of the Plan, the Compensation Committee determines the other terms of options. Unless the Compensation Committee provides otherwise, the Plan generally does not allow for the transfer of options, and only the participant may exercise an option during his or her lifetime.

RSUs

The Compensation Committee may grant RSUs under the Plan. Subject to the provisions of the Plan, the Compensation Committee determines the terms and conditions of RSUs, including the restricted period for all or a portion of the award and the restrictions and/or forfeiture events applicable to the award. RSUs may vest solely by the passage of time and/or pursuant to achievement of performance goals, and the restrictions and/or the restricted period may differ with respect to each award of RSUs. During the period, if any, when RSUs are non-transferable or forfeitable or prior to the satisfaction of any other restrictions prescribed by the Compensation Committee, a participant is prohibited from selling, transferring, assigning, pledging, or otherwise encumbering or disposing of his or her RSUs. Participants holding RSUs will have no voting or dividend rights or other rights associated with share ownership.

Adjustments to Awards

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the Plan, the Compensation Committee will adjust (i) the aggregate number, class, and kind of shares that may be delivered under the Plan, in the aggregate or to any one participant, and/or (ii) the number, class, and kind of shares subject to outstanding awards and the option price of options.

Change in Control

Unless the Compensation Committee provides otherwise in an applicable award agreement, upon the occurrence of a “change in control” (as defined in the Plan): (i) the vesting of all outstanding awards shall accelerate automatically immediately prior to the consummation of the change in control and (ii) awards may either be assumed or substituted for or be cancelled in exchange for consideration. If options will be not assumed or substituted for, the Compensation Committee must provide written notice not less than 15 days prior to the effective date of the proposed change in control.

Term; Amendment and Termination

The Plan was originally effective as of June 1, 2011 and will automatically terminate on May 31, 2021, unless earlier terminated pursuant to the Plan. Our Board has the authority to amend or terminate the Plan or an award agreement, provided such action does not impair the existing rights of any participant.

Summary of Certain Material U.S. Federal Income Tax Consequences

The U.S. federal income tax consequences of awards under the Plan for participants and the Company will depend on the type of award granted. The following summary description of certain material U.S. federal income tax consequences is intended only for the general information of our stockholders. This summary is not intended to be exhaustive, and the exact tax consequences to any participant depend upon his or her particular circumstances and other facts. Plan participants should consult their tax advisor with respect to any state, local and non-U.S. tax considerations or relevant federal tax implications of awards granted under the Plan.

Non-qualified Stock Options. An option holder generally recognizes no U.S. federal taxable income as a result of the grant of the option. On the exercise of a non-qualified stock option, the option holder normally recognizes ordinary income in the amount equal to the difference between the exercise price and the fair market value of the shares of common stock on the exercise date. Where the option holder is an employee, such ordinary income generally is subject to withholding of income and employment taxes. On the sale of shares of common stock acquired by the exercise of a non-qualified stock option, any gain or loss (based on the difference between the sale price and the fair market value on the exercise date), is taxed as a capital gain or loss. If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code of 1986, as amended, we will be entitled to a business expense deduction in the same amount and generally at the same time as the option holder recognizes ordinary income.

RSUs. A holder of RSUs generally recognizes no U.S. federal taxable income as a result of the grant of the RSUs. A holder of RSUs will be required to recognize ordinary income in an amount equal to the fair market value of shares issued, or in the case of a cash-settled award, the amount of the cash payment made, to such holder at the end of the restriction period or, if later, the payment date. If we comply with applicable reporting requirements and with the restrictions of Section 162(m) of the Internal Revenue Code of 1986, as amended, we will be entitled to a business expense deduction in the same amount and generally at the same time as the holder recognizes ordinary income.

Plan Benefits

The grant of awards under Company plans is discretionary and neither the number of shares subject to awards nor the types of awards under Company plans to any particular eligible recipients or groups of eligible recipients is presently determinable.

Vote Required and Recommendation

The affirmative vote of the holders of shares of common stock entitled to vote must exceed the votes cast against the proposal for the proposal to be approved.

Our Board unanimously recommends that stockholders vote “FOR” the approval of the proposed increase of maximum number of shares of common stock that may be issued under Second Sight’s 2011 Equity Incentive Plan to 12 million shares of common stock as described in this Proposal 2.

PROPOSAL 3 – APPROVAL OF AN AMENDMENT TO SECOND SIGHT’S 2015 EMPLOYEE STOCK PURCHASE PLAN THAT WILL INCREASE THE MAXIMUM STATED NUMBER OF SHARES OF COMMON STOCK WHICH MAY BE ISSUED UNDER THE PLAN TO 1,550,000 SHARES AND INCREASE ANNUAL EVERGREEN AMOUNT TO 500,000 SHARES.

We are asking our stockholders to consider and vote upon a proposal to approve an amendment to the Second Sight Medical Inc. 2015 Employee Stock Purchase Plan (referred to as the “ESPP”). On March 25, 2015, our Board adopted the ESPP and our stockholders approved the adoption of the ESPP to be effective June 1, 2015. The Plan was further amended in 2017 to increase the maximum number of shares of common stock that may be issued under the ESPP. On April 10, 2018, the Board adopted amendments to the ESPP that, contingent on and subject to approval of our stockholders at the Annual Meeting, would increase the number of shares of common stock that may be issued under the ESPP by 500,000 shares and the number of shares available for annual automatic increases effected under the ESPP to the lesser of (a) 1% of the total number of shares of common stock outstanding on December 31st of the preceding calendar year, or (b) Five Hundred Thousand (500,000) shares of common stock on January 1st of each year, commencing January 1, 2019 and continuing until the expiration of the ESPP.

If the stockholders approve the amended ESPP, it will become effective on the date of Annual Meeting, which is scheduled for May 16, 2018. If the stockholders fail to approve the amended ESPP, the ESPP will continue and remain in effect without any changes to the authorized number of shares thereto. As of March 31, 2018, approximately 301,466 shares of common stock remained available for issuance under the ESPP. Our Board believes that the amended ESPP is in the best interests of the Company, as it provides a convenient way for the Company’s employees to purchase shares of the Company’s common stock at a discounted price, which stock ownership, in our Board’s opinion, aligns the interests of our employees with that of our stockholders.

The Company has previously reserved a total of 1,050,000 shares of common stock for issuance under the ESPP and, until the Board or the Committee determine otherwise, the number of shares of common stock available for purchase by participating employees under the ESPP automatically increases to an amount which is the lesser of (a) 1% of the total number of shares of common stock outstanding on December 31st of the preceding calendar year, or (b) One Hundred Thousand (100,000) shares of common stock on January 1st of each year. The total shares of common stock available for purchase under the ESPP represents less than 2% of the Company’s outstanding shares as of the Record Date.

Summary of the Amended ESPP

A summary of the material terms of the amended ESPP is provided below.

Stock Subject to the ESPP. Originally, subject to adjustment as provided in the ESPP, the maximum number of shares of common stock reserved for issuance pursuant to the ESPP was 250,000 shares. In 2017 the Board adopted, and shareholders approved an increase to the maximum number of shares of common stock reserved for issuance under the ESPP. If the current proposed amendment to the ESPP is approved by the stockholders, subject to adjustment as provided in the ESPP, the maximum number of shares of common stock reserved for issuance under the ESPP will be 1,550,000 shares. In addition, effective January 1, 2019 and continuing until the expiration of the ESPP, the number of shares of common stock available for purchase under the ESPP will automatically increase annually on January 1, in an amount equal to the lesser of (i) 1% of the total number of issued and outstanding shares of the Company’s common stock as of December 31 of the immediately preceding year, or (ii) 500,000 shares of the Company’s common stock, except that the Board or the Committee may act prior to January 1 of any calendar year to provide for an increase of a lesser number of shares (which may be zero). In the event of any stock dividend, stock split, recapitalization, or other change in the capital structure of the Company, the Compensation Committee of our Board of Directors (for purposes of this discussion as to the ESPP, the “Committee”) will make appropriate adjustments in the number and kind of shares subject to the ESPP, the maximum number of shares that may be delivered under the ESPP, and the selling price and any other relevant provision of the ESPP.

Administration. Subject to the express provisions of the ESPP, the Committee has authority to interpret and construe the provisions of the ESPP, to adopt rules and regulations for administering the ESPP, and to make all other determinations necessary or advisable for administering the ESPP. The ESPP will be administered in order to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended (the “Code”).

Eligibility. In general, all employees employed by the Company and its participating subsidiaries at the beginning of a purchase period are eligible to participate in the ESPP. As of March 31, 2018, there were approximately 119 employees eligible to participate in the ESPP, including five executive officers. Employees must also be actively employed on the last day of the purchase period to purchase shares under the ESPP, except that in the event of a participant's death, his or her legal representative may elect that such participant's account balance be used to purchase shares on the purchase date for the then-current offering period. Participation in the ESPP is voluntary. The Committee may designate subsidiaries from time to time among a group consisting of the Company and its subsidiaries as eligible to participate in the ESPP as to its eligible employees. An employee who owns, or would own after the ESPP purchase, 5% or more of the Company's outstanding shares, including rights to purchase stock as a result of ESPP participation, is ineligible to participate in the ESPP.

Plan Provisions. The ESPP is a broad-based plan that allows employees to purchase shares of the Company's common stock at up to a 15% discount, measured at the lesser of the closing price of the Company's Shares on (i) the first day of the Offering Period or (ii) on last day of the Purchase Period. The Committee shall determine the Offering Period and the Purchase Periods, and each Offering Period may consist of one or more Purchase Periods, as the Committee may determine. The ESPP, as initially administered, provides for six-month offering periods, the first day of which is an offering date under the ESPP. Employees fund their purchases through voluntary payroll deductions that accumulate, without interest, in accounts maintained in the employee's name. A participant may contribute up to 15% of his or her gross base pay. All deductions are made on an after-tax basis.

Eligible employees may elect to become a participant in the ESPP by submitting a payroll deduction authorization form to the Committee or its designee, which will remain effective from offering period to offering period unless and until the participant files new enrollment documents or withdraws from the ESPP.

At the end of each purchase period, and unless the participant terminates employment or withdraws from the ESPP or an offering period on or before the purchase date, the amount credited to the employee's account is applied to the purchase of Company shares at a price equal to the lesser of the closing price of the Company's common stock on (i) the first day of the Offering Period or (ii) on last day of the Purchase Period, less the then-current discount. An employee may not purchase shares under the ESPP with a fair market value of more than \$25,000 in any given calendar year. On April 11, 2018, the closing price of the Company's common stock, as reported on the NASDAQ, was \$1.71 per share. Shares purchased under the ESPP have the same voting, dividend and other rights as all other shares of Company common stock.

Shares of common stock purchased under the ESPP will be held in the custody of an agent appointed by the Board or the Committee. The Agent may hold the shares of common stock purchased under the ESPP in stock certificates in nominee names and may commingle shares held in its custody in a single account or in stock certificates without identification as to individual participating employees.

The Committee has the right to require any or all of the following with respect to shares of common stock purchased under the ESPP:

- (a) that a participating employee may not request that all or part of the shares of common stock be reissued in the employee's own name and the stock certificates delivered to the employee until two years (or such shorter period of time as the Committee may designate) have elapsed since the first day of the Offering Period in which the shares were purchased and one year has elapsed since the day the shares were purchased (the "Holding Period");
- (b) that all sales of shares of common stock during the Holding Period applicable to such purchased shares be performed through a licensed broker acceptable to the Company; and
- (c) that participating employees abstain from selling or otherwise transferring shares of common stock purchased pursuant to the ESPP for a period lasting up to two years from the date the shares of common stock were purchased pursuant to the ESPP.

No participating employee may transfer or assign his or her rights to purchase shares of common stock under the ESPP, whether voluntarily, by operation of law, or otherwise. Any payment of cash or issuance of shares of common stock under the ESPP may be made only to the participating employee (or, in the event of the employee's death, to the employee's estate). Once a stock certificate has been issued to the employee or the employee's estate for his or her account, such certificate may be assigned the same as any other stock certificate.

Amendment and Termination of the ESPP. The Board may, at any time, amend the ESPP in any respect; provided, however, that the stockholders must approve any amendment that would increase the number of shares of common stock that may be issued under the ESPP (other than an increase merely reflecting a change in the Company's capitalization or in connection with the annual increases automatically effected under the ESPP) or any change in the designation of any corporation (other than a subsidiary of the Company) whose employees may participate in the ESPP. The Board may terminate the ESPP at any time. Upon termination of the ESPP, cash balances then credited to participants' accounts will be distributed as soon as practicable.

Federal Income Tax Consequences to the Company and to Participants

The ESPP is intended to qualify as an “employee stock purchase plan” under Section 423 of the Code. A general summary of the federal income tax consequences regarding the ESPP is stated below. The summary is based on the law as in effect on the Record Date. The tax consequences of participating in the ESPP may vary with respect to individual situations. Accordingly, participants should consult with their tax advisors in regard to the tax consequences of participating in the ESPP as to both federal and state income tax considerations.

Tax Treatment of ESPP Participants. Participants will not recognize income when they enroll in the ESPP or when they purchase shares. All tax consequences are deferred until the participant disposes of the shares. If the participant holds the shares acquired under the ESPP for at least two years after the offering date and at least one year after the purchase date (referred to as the Section 423 holding period), or if the participant dies while owning the shares, then the participant will generally recognize ordinary income upon sale or other disposition of the shares equal to the lesser of (a) the original discount on the share assuming the stock had been purchased on the offering date or (b) the excess of the fair market value of the share of common stock on the day of disposition over the price he or she paid for the share. Any additional gain will be taxed as long-term capital gain. If the shares are sold for less than the purchase price, there is no ordinary income, and the participant will have a long-term capital loss for the difference between the purchase price and the sale price. If a participant sells or otherwise disposes of the shares before the end of the Section 423 holding period, the participant will generally have ordinary income equal to the difference between the purchase price and the fair market value on the purchase date. The difference between the sale price and the fair market value on the purchase date will be a capital gain or loss, which will be long-term if the shares have been held for more than one year.

Tax Treatment of the Company. If a participant recognizes ordinary income by selling or otherwise disposing of shares before the end of the Section 423 holding period, the Company will generally be entitled to a tax deduction equal to the participant’s ordinary income. Otherwise, the Company will not be entitled to any income tax deduction with respect to shares purchased under the ESPP.

Benefits to Named Executive Officers and Others

The benefits that will be received by participants, including the named executive officers, under the ESPP will depend on each individual’s elections to participate and the fair market value of the Company’s common stock at various future dates. Therefore, it is not possible to determine the benefits that will be received by named executive officers or other employees under the ESPP in advance.

Vote Required and Recommendation

The affirmative vote of the holders of shares of stock entitled to vote must exceed the votes cast against the proposal for the proposal to be approved.

Our Board unanimously recommends that stockholders vote “FOR” the approval of the proposed increase to the maximum stated number of shares of common stock which may be issued under Second Sight’s 2015 Employee Stock Purchase Plan to 1,550,000 shares of common stock and increase of annual evergreen amount to 500,000 shares of common stock as described in this Proposal 3.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed incorporated by reference into any of our filings under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent we specifically incorporate it by reference therein.

The Audit Committee of the Board has:

- reviewed and discussed the Company’s audited consolidated financial statements for the year ended December 31, 2017 with management and with the Company’s independent registered public accounting firm, Gumbiner Savett Inc.;
- discussed with the Company’s independent auditors the matters required to be discussed by Statement on Auditing Standards No. 1301, “Communications with Audit Committees”, as adopted by the Public Company Accounting Oversight Board (“PCAOB”); and
- received and reviewed the written disclosures and letter from the independent auditors required by the PCAOB regarding the independent auditors’ communications with the Audit Committee concerning independence and has discussed with Gumbiner Savett Inc. matters relating to its independence from the Company and its management.

Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles, or appropriate internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions referred to above do not assure that the audits of the Company’s consolidated financial statements have been carried out in accordance with generally accepted auditing standards, that the consolidated financial statements are presented in accordance with U.S. generally accepted accounting principles or that the Company’s Independent Accountants are in fact “independent.”

Based upon the reviews and discussions described above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in this report and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2017.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation Discussion

Overview

The Compensation Committee of the Board of Directors administers our executive compensation and benefit programs. The Compensation Committee is comprised exclusively of independent directors and oversees all compensation and benefit programs and actions that affect our executive officers.

Compensation Process and Role of Management

The Compensation Committee is responsible for determining and approving all compensation for our executive officers. Pursuant to its charter, the Compensation Committee recommends to the full Board the salary, annual incentive compensation or bonus, long-term incentive compensation in the form of stock options or restricted stock units, and all other employment, severance and change-in-control agreements applicable to executive officers. Our Chief Executive Officer assists the Compensation Committee in its deliberations with respect to the compensation payable to our other executive officers, and typically recommends specific compensation packages for our executive officers based upon his assessment and evaluation of their performance.

Following the end of each fiscal year, our Chief Executive Officer evaluates executive officer performance for the prior fiscal year, other than his own performance, and discusses the results of such evaluations with the Compensation Committee. The Chief Executive Officer assesses each executive officer's performance for the prior fiscal year based upon subjective factors concerning such officer's individual business goals and objectives, and the contributions made by the executive officer to our overall results. The Chief Executive Officer then makes specific recommendations to the Compensation Committee for adjustments to base salary and the grant of a target bonus and/or equity award, if appropriate, as part of the compensation packages for each executive officer, other than himself, for the next fiscal year.

The Compensation Committee reviews the performance of the Chief Executive Officer and determines all compensation for the Chief Executive Officer. The Chief Executive Officer is not present at the time the Compensation Committee reviews his performance and discusses his compensation.

Summary Compensation Table for 2017

The following table provides information regarding the compensation of our named executive officers during 2017. As an emerging growth company, we have elected to comply with the executive compensation disclosure rules applicable to “smaller reporting companies,” as such term is defined in the rules promulgated under the Securities Act of 1933, as amended, or the Securities Act, which require compensation disclosure for our principal executive officer and the two most highly compensated executive officers other than our principal executive officer. Individuals listed in the table below are sometimes referred to in this report as the “Named Executive Officers” or “NEOs”.

The amounts represented in the “Option Awards” column reflect the aggregate grant date fair value of stock awards and option awards granted, calculated in accordance with ASC Topic 718, disregarding the estimate for forfeitures. The assumptions we used for calculating the grant date fair values are set forth in Note 9 of Notes to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and does not necessarily equate to the income that will ultimately be realized by the NEOs for such awards.

1. Includes commissions earned and payable in 2017 of \$83,800 and \$47,300 in 2016 for Mr. Okland.
2. Represents the amounts earned and payable as cash bonuses for the indicated year.
3. Represents the aggregate grant date fair value of stock option awards granted during the years shown as measured pursuant to ASC Topic 718 as stock-based compensation in our consolidated financial statements. This calculation does not give effect to any estimate of forfeitures related to service-based vesting but assumes that the executive will perform the requisite service for the award to vest in full. The assumptions we used in valuing equity awards are described in Note 9 to our audited consolidated financial statements included in our Annual Report on Form 10-K, for the fiscal year ended December 31, 2017.
4. Includes contributions to the officer’s retirement plan, and payments for supplemental life and health insurance plans. In addition, in 2015, 2016 and 2017, Dr. Greenberg received an \$8,000 per year car allowance. Includes \$50,420 in relocation payments to Mr. Okland in 2017.

In December 2016 the Board of Directors approved the following executive and management compensation policies:

- Adopted a “double-trigger” change of control severance plan for the company’s then executive Chairman, Chief Executive Officer and officers who report directly to the Chief Executive Officer. The two triggers for payment of severance are (1) a change of control and (2) a “qualifying” termination, which would be termination without cause by a buyer or a voluntary resignation for good reason. A change of control is defined to include (i) an acquisition or merger in which 50% or more of outstanding voting power changes hands, and (ii) a transaction in which the sale of all or substantially all of the company’s assets occurs.
- For the company’s then executive Chairman and Chief Executive Officer, cash severance includes one year of salary continuation, bonus equal to a prorated amount for the year-to-date bonus earned but not yet paid, 100% of target bonus for the cash severance period, and a continuation of health insurance benefits for the severance period. For officers who report directly to the Chief Executive Officer, cash severance includes six months of salary continuation, bonus equal to a prorated amount for the year-to-date bonus earned but not yet paid, 100% of target bonus for the cash severance period, and a continuation of health insurance benefits for the severance period.

These severance provisions relate to company executives and not to the current non-executive Chairmen who is an outside director. All of the option awards and stock awards granted to the Company’s executives include change-in-control arrangements whereby any unvested stock options would vest as a result of change in control.

Equity Compensation Plan Information

We currently maintain equity compensation plans that provide for the issuance of our common stock to our officers, employees, and certain consultants upon the exercise or vesting of stock options and upon the vesting of restricted stock units. These plans are:

- The 2011 Equity Incentive Plan, as restated in June 2011 (the “2003 Plan”).
- The 2011 Equity Incentive Plan (the “2011 Plan”).
- 2015 Employee Stock Purchase Plan (the “2015 ESPP”).
- Equity Incentive Plan – Restricted Stock Units (the “RSU Plan”).

The 2003 Plan and the 2011 Plan have been approved by our shareholders. The RSU Plan was adopted by our Board on December 1, 2015, in connection with a grant of 190,000 inducement restricted stock units granted to the Will McGuire, the Company’s President and Chief Executive Officer, upon joining the Company.

The following table summarizes information about outstanding stock options, restricted stock units, and shares reserved for future issuance as of December 31, 2017 under the Company’s equity incentive plans described above:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights ⁽¹⁾ (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders:			
2011 Plan ⁽²⁾	5,675,446	\$ 4.87	2,504,873
2015 ESPP ⁽³⁾	—	—	301,466
	<u>5,675,446</u>	<u>\$ 4.87</u>	<u>2,806,339</u>
Equity compensation plans not approved by security holders:			
RSU Plan	83,125	\$ —	—
Total	<u>5,758,571</u>	<u>\$ 4.87</u>	<u>2,806,339</u>

1. The weighted-average exercise price of outstanding options does not take into account outstanding RSUs since they do not have an exercise price.
2. All such shares are issuable upon the exercise of outstanding stock options.
3. On January 1 of each year, the number of shares authorized and reserved for issuance under the 2015 ESPP automatically increases by the lesser of (i) 100,000 shares; or (ii) a number of shares equal to 1.0% of the Company’s outstanding shares on the last day of our prior fiscal year. On January 1, 2018, the number of shares authorized and reserved for issuance under the 2015 ESPP was increased by 100,000 shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows information known to us about beneficial ownership of our common stock by:

- each of our directors;
- each of our current named executive officers as well as any additional individuals identified as named executive officers in the section of this report titled “Executive Compensation”;
- all of our directors and executive officers as a group; and
- each person known by us to beneficially own 5% or more of our common stock.

The column entitled “Percentage Beneficially Owned” is based on a total of 59,875,717 shares of our common stock outstanding as of March 31, 2018.

Beneficial ownership and percentage ownership are determined in accordance with the rules of the SEC. Under these rules, beneficial ownership generally includes any shares as to which the individual or entity has sole or shared voting power or investment power and includes any shares that an individual or entity has the right to acquire beneficial ownership of within 60 days of March 31, 2018 through the exercise of any option, warrant, conversion privilege or similar right. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock that could be issued upon the exercise of outstanding options and warrants that are exercisable within 60 days of March 31, 2018 are considered to be outstanding. These shares, however, are not considered outstanding as of March 31, 2018 when computing the percentage ownership of each other person.
